

# PHIDU data holdings, at August 2016:

## 1. National Data held by Population Health Area (PHA), Local Government Area (LGA), and Primary Health Network (PHN): whole population Atlas

Topic/ Indicator	Indicator detail	Geography	Time period
<b>Population demographics</b>			
<b>Age distribution</b>			
Age distribution: Males/Females/Persons: 5 yr age groups (ERP)	Age in 5 year age groups, 0-4 to 85+ yrs, Estimated Resident Population (ERP): Males/Females/Persons	PHA, LGA, PHN	2014
Age distribution: Males/Females/Persons: broad age groups (ERP)	Age in broad age groups: 0-14, 15-24, 25-44, 45-64, 65+, 70+, 75+, 85+ yrs, ERP: Males/Females/Persons	PHA, LGA, PHN	2014
<b>Population projections</b>			
Population projections: Males/Females/Persons: 5 yr age groups (Projected 2015, 2020, 2025 ERP)	Age in 5 year age groups, 0-4 to 85+ yrs, Projected ERP: Males/Females/Persons	PHA, LGA, PHN	Projected 2015, 2020, 2025
<b>Aboriginal population</b>			
Aboriginal population: Males/Females/Persons (ERP) (non-ABS): 5 yr age groups	Age in 5 yr age groups, 0-4 to 65+ yrs, estimated resident population (ERP) (non-ABS): Males/Females/Persons	PHA, LGA, PHN	2015
<b>Indigenous status</b>			
Aboriginal population as per cent of total population (ERP) (non-ABS)	Aboriginal population as per cent of total population, ERP (non-ABS)	PHA, LGA, PHN	2015
Aboriginal population as per cent of total population: 5 yr age groups (ERP) (non-ABS)	Aboriginal population as per cent of total population by 5 yr age groups: 0-4 years to 65+ yrs, ERP (non-ABS)	PHA, LGA, PHN	2015
<b>Birthplace &amp; non-English speaking residents</b>			
Australian-born population	Australian-born population	PHA, LGA, PHN	2011
Born overseas in predominantly English speaking countries	People born (overseas) in predominantly English speaking countries	PHA, LGA, PHN	2011
Born overseas in predominantly non-English speaking (NES) countries	People born in predominantly non-English speaking countries	PHA, LGA, PHN	2011
Longer term arrivals; born in NES countries	People born in NES countries resident in Australia for five years or more	PHA, LGA, PHN	2011
Recent arrivals; born in NES countries	People born in NES countries resident in Australia for less than five years	PHA, LGA, PHN	2011
Poor proficiency in English & born overseas	People aged 5 yrs & over, born overseas, who speak English 'not well', or 'not at all'	PHA, LGA, PHN	2011
<b>Birthplace: Top ten non-English speaking countries of birth</b>	China/India/Italy/Vietnam/Philippines/Malaysia/Germany/Greece/Sri Lanka & Lebanon	PHA, LGA, PHN	2011

Topic/ Indicator	Indicator detail	Geography	Time period
<b>Fertility</b>	<b>Total fertility rate</b>	<b>LGA</b>	<b>2011</b>
<b>Social indicators</b>			
<b>Education</b>			
Secondary school	Full-time participation in secondary school education at age 16	PHA, LGA, PHN	2011
Vocational education & training	Participation in vocational education & training	LGA	2012
Higher education	School leavers enrolled in higher education (excl. Qld)	LGA, PHN	2012
Early school leavers	People who left school at Year 10 or below, or did not go to school	PHA, LGA, PHN	2011
<b>Early childhood development</b>			
Australian Early Development Census (AEDC)			
- Developmentally vulnerable on one or more domains	Developmentally vulnerable on one or more domains	PHA, LGA	2012
- Developmentally vulnerable on two or more domains	Developmentally vulnerable on two or more domains	PHA, LGA	2012
- Physical health and wellbeing domain	Physical health and wellbeing domain - developmentally vulnerable/ at risk/ on track	PHA, LGA	2012
- Social competence domain	Social competence domain - developmentally vulnerable/ at risk/ on track	PHA, LGA	2012
- Emotional maturity	Emotional maturity - developmentally vulnerable/ at risk/ on track	PHA, LGA	2012
- Language and cognitive skills (schools-based) domain	Language and cognitive skills (schools-based) domain - developmentally vulnerable/ at risk/ on track	PHA, LGA	2012
- Communication skills and general knowledge domain	Communication skills and general knowledge domain - developmentally vulnerable/ at risk/ on track	PHA, LGA	2012
<b>Learning or Earning</b>			
Learning or Earning	Learning or Earning at ages 15 to 19	PHA, LGA, PHN	2011
<b>Families</b>			
Single parent families with children aged less than 15 years	Single parent families with children aged less than 15 years	PHA, LGA, PHN	2011
Jobless families with children aged less than 15 years	Jobless families with children aged less than 15 years	PHA, LGA, PHN	2011
Children aged less than 15 years in jobless families	Children aged less than 15 years in jobless families	PHA, LGA, PHN	2011
Children in families where the mother has low educational attainment	Children aged less than 15 years living in families where the female parent's highest level of schooling was year 10 or below, or where the female parent did not attend school	PHA, LGA, PHN	2011
<b>Housing</b>			
Rent assistance from the Australian Government	Households in dwellings receiving rent assistance from the Australian Government	PHA, LGA, PHN	June 2014
Housing authority dwellings being rented	Dwellings rented from the government housing authority	PHA, LGA, PHN	2011
Housing stress – mortgage holders	Low income households with mortgage stress	PHA, LGA, PHN	2011
Housing stress – renters	Low income households with rental stress	PHA, LGA, PHN	2011
Housing stress – mortgage holders & renters	Low income households under financial stress from mortgage/rent	PHA, LGA, PHN	2011
No motor vehicle	Private dwellings with no motor vehicle	PHA, LGA, PHN	2011

Topic/ Indicator	Indicator detail	Geography	Time period
<b>Income support</b>			
Age pensioners	Age pensioners	PHA, LGA, PHN	June 2014
Disability support pensioners	Disability support pensioners	PHA, LGA, PHN	June 2014
Female sole parent pensioners	Female sole parent pensioners	PHA, LGA, PHN	June 2014
Unemployment beneficiaries	People receiving an unemployment benefit	PHA, LGA, PHN	June 2014
Long-term unemployment beneficiaries	People receiving an unemployment benefit for longer than 6 months	PHA, LGA, PHN	June 2014
Youth unemployment beneficiaries	Young people aged 16 to 24 receiving an unemployment benefit	PHA, LGA, PHN	June 2014
Low income families (with children)	Welfare-dependent & other low income families with children	PHA, LGA, PHN	June 2014
Children in low income families	Children in welfare-dependent & other low income families	PHA, LGA, PHN	June 2014
Health Care Card holders	Health Care Card holders	PHA, LGA, PHN	June 2014
Pensioner Concession Card holders	Pensioner Concession Card holders	PHA, LGA, PHN	June 2014
Seniors Health Card holders	Seniors Health Card holders	PHA, LGA, PHN	June 2014
<b>Internet access at home</b>			
No Internet connection	Private dwellings with no Internet connection	PHA, LGA, PHN	2011
Total Internet connections	Total private dwellings with Internet connections	PHA, LGA, PHN	2011
- Broadband Internet connection	- Private dwellings with Broadband Internet connections	PHA, LGA, PHN	2011
- Dial-up Internet connection	- Private dwellings with Dial-up Internet connections	PHA, LGA, PHN	2011
- Other Internet connection	- Private dwellings with other Internet connections	PHA, LGA, PHN	2011
<b>Labour force</b>			
Unemployment	Unemployment	PHA, LGA	Sept 2014
Labour force participation	Labour force participation	PHA, LGA	Sept 2014
Female labour force participation	Female labour force participation	PHA, LGA	2011
<b>Summary measure of disadvantage</b>	Index of Relative Socio-economic Disadvantage	PHA, LGA, PHN	2011
<b>Child care: unpaid</b>			
Child care to own child/children (unpaid)	Unpaid child care provided by people aged 15 yrs & over to own children	PHA, LGA, PHN	2011
Child care to other child/children (unpaid)	Unpaid child care provided by people aged 15 yrs & over to other children	PHA, LGA, PHN	2011
Total (unpaid) child care	Total (unpaid) child care provided by people aged 15 yrs & over	PHA, LGA, PHN	2011
<b>Community strength and wellbeing (people aged 18 years and over): Modelled estimates (ABS General Social Survey) other than Voluntary work (ABS Census)</b>			
<b>Community strengths</b>			
Voluntary work for an organisation or group (ABS Census)	People 15 yrs & over who participated in voluntary work	PHA, LGA, PHN	2011
Voluntary work for an organisation or group	People who did unpaid voluntary work in the last 12 months	LGA	2010
Support in times of crisis	People able to get support in times of crisis from persons outside the household	LGA	2010

<b>Topic/ Indicator</b>	<b>Indicator detail</b>	<b>Geography</b>	<b>Time period</b>
Support to other relatives living outside the household	People (or their partner) who provide support to other relatives living outside the household	LGA	2010
Feels very safe/safe walking alone in local area after dark	People who feel very safe/safe walking alone in local area after dark	LGA	2010
Disagree/strongly disagree with acceptance of other cultures	People who disagree/strongly disagree with acceptance of other cultures	LGA	2010
<b>Personal and financial stressors</b>			
Households that could raise \$2,000 within a week	People whose household could raise \$2,000 within a week	LGA	2010
Households that had at least one cash flow problem in last 12 months	People whose household had at least one cash flow problem in last 12 months	LGA	2010
Households that took at least one dissaving action in last 12 months	People whose household took at least one dissaving action in last 12 months	LGA	2010
Government support as main source of income in last 2 years	People who had government support as their main source of income in the last 2 years	LGA	2010
Government support as main source of income, for 12 months or more, within the past 24 months	People who had government support as their main source of income, for 12 months or more, in past 24 months	LGA	2010
<b>Access to services: financial and transport barriers</b>			
Delayed medical consultation because could not afford it	People who delayed medical consultation because they could not afford it	LGA	2010
Delayed purchasing prescribed medication because could not afford it	People who delayed purchasing prescribed medication due to cost	LGA	2010
Difficulty or can't get to places needed with transport	People who often have a difficulty or can't get to places needed with transport	LGA	2010
Difficulty accessing services	People who had difficulty accessing services	LGA	2010
Accessed Internet at home in the past 12 months	People who accessed the Internet at home in the past 12 months	LGA	2010
<b>Health status, disability and deaths</b>			
<b>Mothers &amp; babies</b>			
Low birth weight babies	Low birth weight babies	LGA	2009–2011 (Vic, WA & Tas) 2008–2010 (NSW, Qld, SA & ACT) 2006–2008 (NT)
Smoking during pregnancy	Mothers who reported smoking during pregnancy	LGA	2009–2011 (Vic, WA & Tas) 2008–2010 (NSW, Qld, SA & ACT)

Topic/ Indicator	Indicator detail	Geography	Time period
			2006–2008 (NT)
<b>Child and youth health</b>			
Immunisation, 1 yr of age	Children fully immunised at 1 year of age	PHA, LGA, PHN	2015
Immunisation, 2 yrs of age	Children fully immunised at 2 years of age	PHA, LGA, PHN	2015
Immunisation, 5 yrs of age	Children fully immunised at 5 years of age	PHA, LGA, PHN	2015
HPV, 12 and 13 year old girls (fully vaccinated)	Per cent of 12-13 year olds at June 2013, with vaccination status by 2016	PHA, LGA, PHN	2013
HPV, 12 and 13 year old boys (fully vaccinated)	Per cent of 12-13 year olds at June 2013, with vaccination status by 2016	PHA, LGA, PHN	2013
Infant deaths	Infant death rate per 1,000 live births	PHA, LGA, PHN	2009–2013
<b>Screening services</b>			
<b>Bowel screening</b>			
National Bowel Cancer Screening Program: participation	Participation: Males/Females/Persons	PHA, LGA, PHN	2012/13
National Bowel Cancer Screening Program: positive screening result	Positive screening result (indicating blood found in tested sample): Males/Females/Persons	PHA, LGA, PHN	2012/13
<b>Breast screening</b>			
Breast screening participation	Breast screening participation, females aged 50 to 69 yrs (excludes Tas and NT)	LGA	2010–2011 (NSW, Vic, Qld, SA & WA) 2007–2008 (ACT)
Breast screening outcomes - cancer	Breast screening outcomes - cancer, females aged 50 to 69 years (excludes SA, Tas and NT)	LGA	2010–2011 (NSW, Vic, Qld & WA) 2007–2008 (ACT)
<b>Breast screening</b>			
Cervical screening participation	Cervical screening participation, females aged 20 to 69 years (excludes Tas and NT)	LGA	2011–2012 (NSW, Vic, Qld SA, WA & ACT)
Cervical screening outcomes - Low grade abnormality	Cervical screening outcomes - Low grade abnormality, females aged 20 to 69 years (excludes Tas and NT)	LGA	2011–2012 (NSW, Vic, Qld SA, WA & ACT)
Cervical screening outcomes - High grade abnormality	Cervical screening outcomes - High grade abnormality, females aged 20 to 69 years (excludes Tas and NT)	LGA	2011–2012 (NSW, Vic, Qld SA, WA & ACT)
<b>Self-assessed health (modelled estimates)</b>			
Fair or poor health	People reporting fair or poor health, 15 yrs & over	PHA, LGA, PHN	2011-13

Topic/ Indicator	Indicator detail	Geography	Time period
<b>Chronic disease and conditions (modelled estimates)</b>			
Diabetes mellitus	Estimated population with diabetes mellitus	PHA, LGA, PHN	2011-13
High blood cholesterol	Estimated population with high blood cholesterol	PHA, LGA, PHN	2011-13
People with mental & behavioural problems	Estimated population with mental & behavioural problems	PHA, LGA, PHN	2011-13
Males with mental & behavioural problems	Estimated male population with mental & behavioural problems	PHA, LGA, PHN	2011-13
Females with mental & behavioural problems	Estimated female population with mental & behavioural problems	PHA, LGA, PHN	2011-13
Circulatory system diseases	Estimated population with circulatory system diseases, 2 yrs & over	PHA, LGA, PHN	2011-13
- Hypertensive disease	- Estimated population with hypertensive disease	PHA, LGA, PHN	2011-13
Respiratory system diseases	Estimated population with respiratory system diseases	PHA, LGA, PHN	2011-13
- Asthma	- Estimated population with asthma	PHA, LGA, PHN	2011-13
- Chronic obstructive pulmonary disease (COPD)	- Estimated population with COPD	PHA, LGA, PHN	2011-13
Musculoskeletal system diseases	Estimated population with musculoskeletal system diseases	PHA, LGA, PHN	2011-13
- Arthritis	- Estimated population with arthritis	PHA, LGA, PHN	2011-13
<b>Psychological distress (modelled estimates)</b>			
Psychological distress	Estimated population with high or very high psychological distress based on the Kessler 10 Scale (K10), 18 yrs & over	PHA, LGA, PHN	2011-13
<b>Health risk factors (modelled estimates)</b>			
Male smokers	Estimated male population who were current smokers, 18 yrs & over	PHA, LGA, PHN	2011-13
Female smokers	Estimated female population who were current smokers, 18 yrs & over	PHA, LGA, PHN	2011-13
Smokers	Estimated population who were current smokers, 18 yrs & over	PHA, LGA, PHN	2011-13
Harmful use of alcohol	Estimated population consuming alcohol at levels considered to be a high risk to health, 18 yrs & over	PHA, LGA, PHN	2011-13
Overweight (not obese) males	Estimated male population who were overweight, 18 yrs & over	PHA, LGA, PHN	2011-13
Obese males	Estimated male population who were obese, 18 yrs & over	PHA, LGA, PHN	2011-13
Overweight (not obese) females	Estimated female population who were overweight, 18 yrs & over	PHA, LGA, PHN	2011-13
Obese females	Estimated female population who were obese, 18 yrs & over	PHA, LGA, PHN	2011-13
Overweight (not obese) persons	Estimated population who were overweight, 18 yrs & over	PHA, LGA, PHN	2011-13
Obese persons	Estimated population who were obese, 18 yrs & over	PHA, LGA, PHN	2011-13
<b>Disability</b>			
Assistance to people with a disability (unpaid)	Unpaid assistance provided by people 15 yrs & over	PHA, LGA, PHN	2011
Profound or severe disability – all ages	People with a profound or severe disability living in the community & in long-term care facilities, all ages	PHA, LGA, PHN	2011
Profound or severe disability – 0 to 64 yrs	People with a profound or severe disability living in the community & in long-term care facilities, ages 0 to 64	PHA, LGA, PHN	2011
Profound or severe disability – 65 yrs & over	People with a profound or severe disability living in the community & in long-term care facilities, 65 yrs & over	PHA, LGA, PHN	2011
Profound or severe disability & living in the community – all ages	People with a profound or severe disability living in the community, all ages	PHA, LGA, PHN	2011

Topic/ Indicator	Indicator detail	Geography	Time period
Profound or severe disability & living in the community – 0 to 64 yrs	People with a profound or severe disability living in the community, aged 0 to 64 yrs	PHA, LGA, PHN	2011
Profound or severe disability & living in the community – 65 yrs & over	People with a profound or severe disability living in the community, 65 yrs & over	PHA, LGA, PHN	2011
<b>Median age at death</b>			
Median age at death of males	Median age at death of males	PHA, LGA, PHN	2009–2013
Median age at death of females	Median age at death of females	PHA, LGA, PHN	2009–2013
Median age at death of persons	Median age at death of persons	PHA, LGA, PHN	2009–2013
<b>Premature mortality, by sex</b>			
Deaths of males aged 0 to 74 years	Deaths of males aged 0 to 74 years	PHA, LGA, PHN	2009–2013
Deaths of females aged 0 to 74 years	Deaths of females aged 0 to 74 years	PHA, LGA, PHN	2009–2013
Deaths of people aged 0 to 74 years	Deaths of people aged 0 to 74 years	PHA, LGA, PHN	2009–2013
<b>Premature mortality, by selected cause</b>			
Deaths from cancer, persons aged 0 to 74 yrs	Deaths from cancer, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
- Colorectal cancer, persons aged 0 to 74 yrs	Deaths from colorectal cancer, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
- Lung cancer, persons aged 0 to 74 yrs	Deaths from lung cancer, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
- Breast cancer, females aged 0 to 74 yrs	Deaths from breast cancer, females aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
Deaths from endocrine, nutritional and metabolic diseases: deaths from diabetes, persons aged 0 to 74 yrs	Deaths from endocrine, nutritional and metabolic diseases: deaths from diabetes, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
Deaths from circulatory system diseases, persons aged 0 to 74 yrs	Deaths from circulatory system diseases, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
- Ischaemic heart disease, persons aged 0 to 74 yrs	Deaths from ischaemic heart disease, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
- Cerebrovascular diseases, persons aged 0 to 74 yrs	Deaths from cerebrovascular disease, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
Deaths from respiratory system diseases, persons aged 0 to 74 yrs	Deaths from respiratory system diseases, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
- Chronic obstructive pulmonary disease, persons aged 0 to 74 yrs	Deaths from chronic obstructive pulmonary disease, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
Deaths from external causes, persons aged 0 to 74 yrs	Deaths from external causes, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
- Road traffic injuries, persons aged 0 to 74 yrs	Deaths from road traffic injuries, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
- Suicide and self-inflicted injuries, persons aged 0 to 74 yrs	Deaths from suicide and self-inflicted injuries, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
<b>Avoidable mortality by sex</b>			
Deaths from all avoidable causes, males/females/persons aged 0 to 74 yrs	Deaths from all avoidable causes, males/females/persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
<b>Avoidable mortality by selected cause</b>			
Avoidable deaths from cancer, persons aged 0 to 74 yrs	Avoidable deaths from cancer, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
- Colorectal cancer, persons aged 0 to 74 yrs	Avoidable deaths from colorectal cancer, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
- Breast cancer, persons aged 0 to 74 yrs	Avoidable deaths from breast cancer, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013

Topic/ Indicator	Indicator detail	Geography	Time period
Avoidable deaths from endocrine, nutritional and metabolic diseases: deaths from diabetes, persons aged 0 to 74 yrs	Avoidable deaths from endocrine, nutritional and metabolic diseases: deaths from diabetes, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
Avoidable deaths from cardiovascular diseases, persons aged 0 to 74 yrs	Avoidable deaths from cardiovascular diseases, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
- Ischaemic heart disease, persons aged 0 to 74 yrs	Avoidable deaths from ischaemic heart disease, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
- Cerebrovascular diseases, persons aged 0 to 74 yrs	Avoidable deaths from cerebrovascular disease, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
Avoidable deaths from respiratory system diseases, persons aged 0 to 74 yrs	Avoidable deaths from respiratory system diseases, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
- Chronic obstructive pulmonary disease, persons aged 0 to 74 yrs	Avoidable deaths from chronic obstructive pulmonary disease, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
Avoidable deaths from selected external causes of mortality (Falls; Fires, burns; Suicide and self-inflicted injuries; etc.), persons aged 0 to 74 yrs	Avoidable deaths from selected external causes of mortality (Falls; Fires, burns; Suicide and self-inflicted injuries; etc.), persons aged 0 to 74 yrs	PHA, LGA, PHN	2009–2013
- Suicide and self-inflicted injuries, persons aged 0 to 74 yrs	Avoidable deaths from suicide and self-inflicted injuries, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009-2013
Avoidable deaths from other external causes of mortality (Transport accidents; Accidental drowning and submersion; etc.), persons aged 0 to 74 yrs	Avoidable deaths from other external causes of mortality (Transport accidents; Accidental drowning and submersion; etc.), persons aged 0 to 74 yrs	PHA, LGA, PHN	2009-2013
- Avoidable deaths from transport accidents, persons aged 0 to 74 yrs	Avoidable deaths from transport accidents, persons aged 0 to 74 yrs	PHA, LGA, PHN	2009-2013

## Use and provision of health and welfare services

### MBS services

GP services (MBS & DVA)	GP services (MBS & DVA): Males/Females/Total Persons	LGA, PHN	2009-10
45 Year Old Health Check	45 Year Old Health Checks by GPs: Males/Females/Persons aged 45 to 49 years	LGA, PHN	2009-10
Annual health assessments	Annual health assessments by GPs, persons aged 75 years & over	LGA, PHN	2009-10
Other services by GPs for Enhanced Primary Care items	Other non-referred GP attendances for Enhanced Primary Care items	LGA, PHN	2009-10
Total Enhanced Primary Care items	Total services by GPs for Enhanced Primary Care items	LGA, PHN	2009-10
GP Practice Nurse services	Practice Nurse services under the MBS	LGA, PHN	2009-10
Better Access Program: GP Mental Health Care Plan	Preparation of GP Mental Health Care Plan under the Better Access Program	LGA, PHN	2009-10
Better Access Program: Psychiatrists	Services provided by Psychiatrists under the Better Access Program	LGA, PHN	2009-10
Better Access Program: Psychologists	Psychologist services under the Better Access Program	LGA, PHN	
- Better Access Program: General Psychologists	- General Psychologist services under the Better Access Program	LGA, PHN	2009-10
- Better Access Program: Clinical Psychologists	- Clinical Psychologist services under the Better Access Program	LGA, PHN	2009-10

<b>Topic/ Indicator</b>	<b>Indicator detail</b>	<b>Geography</b>	<b>Time period</b>
Better Access Program: Social Workers	Social Worker services under the Better Access Program	LGA, PHN	2009-10
Better Access Program: Occupational Therapists	Occupational Therapist services under the Better Access Program	LGA, PHN	2009-10
<b>Home and Community Care Program: clients</b>			
Clients living alone	Clients living alone	LGA, PHN	2012/13
Clients with carer	Clients with carer	LGA, PHN	2012/13
Indigenous clients	Indigenous clients	LGA, PHN	2012/13
Indigenous clients	Indigenous clients	LGA, PHN	2012/13
Non-English speaking clients	Non-English speaking clients	LGA, PHN	2012/13
Total clients	Total clients	LGA, PHN	2012/13
<b>Home and Community Care Program: service instances</b>			
Allied health care instances at home	Allied health care instances at home	LGA, PHN	2012/13
Allied health care instances at centre	Allied health care instances at centre	LGA, PHN	2012/13
Care counselling instances	Care counselling instances	LGA, PHN	2012/13
Case management instances	Case management instances	LGA, PHN	2012/13
Centre based day care instances	Centre based day care instances	LGA, PHN	2012/13
Client care coordination instances	Client care coordination instances	LGA, PHN	2012/13
Domestic assistance instances	Domestic assistance instances	LGA, PHN	2012/13
Home maintenance and modification instances	Home maintenance and modification instances	LGA, PHN	2012/13
Meals at centre plus meals at home instances	Meals at centre plus meals at home instances	LGA, PHN	2012/13
Nursing care at centre plus nursing care at home instances	Nursing care at centre plus nursing care at home instances	LGA, PHN	2012/13
Personal care instances	Personal care instances	LGA, PHN	2012/13
Respite care instances	Respite care instances	LGA, PHN	2012/13
Social support instances	Social support instances	LGA, PHN	2012/13
Transport instances	Transport instances	LGA, PHN	2012/13
Total instances of assistance	Total instances of assistance	LGA, PHN	2012/13
<b>Aged care places</b>			
Residential aged care - high-level places	Rate per 1,000 population in high-level residential care	LGA	June 2011
Residential aged care - low-level places	Rate per 1,000 population in low-level residential care	LGA	June 2011
Residential aged care - total places	Rate per 1,000 population in residential care	LGA	June 2011
Community aged care places	Rate per 1,000 population in community care	LGA	June 2011
<b>Health workforce</b>			
General Medical Practitioners	Rate per 100,000 population	LGA	2011
Specialists - Anaesthesia	Rate per 100,000 population	LGA	2011
Specialists - Emergency medicine	Rate per 100,000 population	LGA	2011
Specialists - Obstetrics and gynaecology	Rate per 100,000 population	LGA	2011
Specialists - Ophthalmology	Rate per 100,000 population	LGA	2011
Specialists - Paediatrics and child health	Rate per 100,000 population	LGA	2011
Specialists - Pathology	Rate per 100,000 population	LGA	2011

<b>Topic/ Indicator</b>	<b>Indicator detail</b>	<b>Geography</b>	<b>Time period</b>
Specialists - Physician	Rate per 100,000 population	LGA	2011
Specialists - Psychiatry	Rate per 100,000 population	LGA	2011
Specialists - Radiology	Rate per 100,000 population	LGA	2011
Specialists - Rehabilitation medicine	Rate per 100,000 population	LGA	2011
Specialists - Surgery	Rate per 100,000 population	LGA	2011
Specialist Practitioners (as reported excluding GPs)	Rate per 100,000 population	LGA	2011
Unknown/Not applicable Medical Practitioners	Rate per 100,000 population	LGA	2011
Total Medical Practitioners	Rate per 100,000 population	LGA	2011
Registered Nurses only	Rate per 100,000 population	LGA	2011
Registered Nurses who are also Midwives	Rate per 100,000 population	LGA	2011
Total Registered Nurses	Rate per 100,000 population	LGA	2011
Enrolled Nurses	Rate per 100,000 population	LGA	2011
Midwives (may also be a Registered Nurse or Enrolled Nurse)	Rate per 100,000 population	LGA	2011
Total Nurses (each person only counted once)	Rate per 100,000 population	LGA	2011
Dentists	Rate per 100,000 population	LGA	2011
Oral health therapists	Rate per 100,000 population	LGA	2011
Dental hygienists	Rate per 100,000 population	LGA	2011
Dental therapists	Rate per 100,000 population	LGA	2011
Dental prosthetists	Rate per 100,000 population	LGA	2011
Total Dental	Rate per 100,000 population	LGA	2011
<b>Admissions by hospital type and sex</b>			
Total admissions - Public/Private/All hospitals	Rate per 100,000 population	PHA, LGA, PHN	2012/13
Male total admissions - Public/All hospitals	Rate per 100,000 males	PHA, LGA, PHN	2012/13
Female total admissions - Public/All hospitals	Rate per 100,000 females	PHA, LGA, PHN	2012/13
<b>Hospital admissions by principal diagnosis</b>			
Admissions for infectious and parasitic diseases, males/females/persons - Public/All hospitals	Rate per 100,000 males/females/population	PHA, LGA, PHN	2012/13
Admissions for all cancers, males/females/persons - Public/All hospitals	Rate per 100,000 males/females/population	PHA, LGA, PHN	2012/13
Admissions for mental health related conditions, males/females/persons - Public/All hospitals	Rate per 100,000 males/females/population	PHA, LGA, PHN	2012/13
Admissions for circulatory system diseases, males/females/persons - Public/All hospitals	Rate per 100,000 males/females/population	PHA, LGA, PHN	2012/13
Admissions for respiratory system diseases, males/females/persons - Public/All hospitals	Rate per 100,000 males/females/population	PHA, LGA, PHN	2012/13
Admissions for digestive diseases, males/females/persons - Public/All hospitals	Rate per 100,000 males/females/population	PHA, LGA, PHN	2012/13
Admissions for musculoskeletal system and connective tissues diseases, males/females/persons - Public/All hospitals	Rate per 100,000 males/females/population	PHA, LGA, PHN	2012/13

<b>Topic/ Indicator</b>	<b>Indicator detail</b>	<b>Geography</b>	<b>Time period</b>
Admissions for genitourinary system diseases, males/females/persons - Public/All hospitals	Rate per 100,000 males/females/population	PHA, LGA, PHN	2012/13
Admissions for pregnancy and childbirth, males/females/persons - Public/All hospitals	Rate per 100,000 females	PHA, LGA, PHN	2012/13
Admissions for injury, poisoning and other external causes, males/females/persons - Public/All hospitals	Rate per 100,000 males/females/population	PHA, LGA, PHN	2012/13
<b>Hospital admissions by procedure type</b>			
Admissions for a tonsillectomy and/or adenoidectomy - Public/All hospitals	Rate per 100,000 population	PHA, LGA, PHN	2012/13
Admissions for a myringotomy, aged 0 to 9 yrs - Public/All hospitals	Rate per 100,000 population, aged 0-9 yrs	PHA, LGA, PHN	2012/13
Admissions for a hysterectomy, females aged 30 to 59 yrs - Public/All hospitals	Rate per 100,000 population, females aged 30-59 yrs	PHA, LGA	2012/13
Admissions for a Caesarean section, females aged 15 to 44 yrs - Public/All hospitals	Rate per 100 women admitted for a birth, aged 15-44 yrs	PHA, LGA, PHN	2012/13
Admissions for coronary artery bypass graft - Public/All hospitals	Rate per 100,000 females, aged 15-44 yrs	PHA, LGA, PHN	2012/13
Admissions for coronary angioplasty - Public/All hospitals	Rate per 100,000 population	PHA, LGA, PHN	2012/13
Admissions for cardiac catheterisation - Public/All hospitals	Rate per 100,000 population	PHA, LGA, PHN	2012/13
Admissions for hip fracture - Public/All hospitals	Rate per 100,000 population	PHA, LGA, PHN	2012/13
Admissions for knee replacement - Public/All hospitals	Rate per 100,000 population	PHA, LGA, PHN	2012/13
Admissions for knee arthroscopy - Public/All hospitals	Rate per 100,000 population	PHA, LGA, PHN	2012/13
<b>Same-day hospital admissions for renal dialysis</b>			
Admissions for same-day dialysis for kidney disease - Public/ All hospitals	Rate per 100,000 population	PHA, LGA, PHN	2012/13
<b>Emergency department presentations</b>			
Emergency department presentations	Rate per 100,000 population	PHA, LGA, PHN	2012/13

## 2. National Data held by Indigenous Area (IARE): Aboriginal and Torres Strait Islander Atlas

Topic/ Indicator	Indicator detail	Geography	Time period
<b>Population demographics</b>			
Age distribution: Aboriginal population (Usual Resident Population)	Age in 5 year groups, 0-4 to 65+ years: Males/Females/Persons	IARE	2011
Age distribution: Aboriginal age distribution (Place of Enumeration)	Age in 5 year groups, 0-4 to 65+ years: Persons	IARE	2011
Age distribution: Aboriginal population (Estimated Resident Population) (non-ABS)	Age in 5 year groups, 0-4 to 65+ years: Males/Females/Persons	IARE	2015
Age distribution: Projected Aboriginal population (projected Estimated Resident Population) (non-ABS)	Age in 5 year groups, 0-4 to 65+ years, projected: Males/Females/Persons	IARE	2016
Fertility	Total fertility rate	IARE	2004-2007
<b>Social indicators</b>			
<b>Aboriginal education</b>			
Secondary school	Full-time participation in secondary school education at age 16	IARE	2011
Vocational education & training	Participation in vocational education & training	IARE	2010
<b>Aboriginal early childhood development</b>			
Australian Early Development Census (AEDC)			
- Developmentally vulnerable on one or more domains	Aboriginal children assessed as developmentally vulnerable on one or more domains	IARE	2012
- Developmentally vulnerable on two or more domains	Aboriginal children assessed as developmentally vulnerable on two or more domains	IARE	2012
- Physical health and wellbeing domain	Aboriginal children assessed as developmentally vulnerable in the physical health and wellbeing domain	IARE	2012
- Social competence domain	Aboriginal children assessed as developmentally vulnerable in the social competence domain	IARE	2012
- Emotional maturity	Aboriginal children assessed developmentally vulnerable in the emotional maturity domain	IARE	2012
- Language and cognitive skills (schools-based) domain	Aboriginal children assessed as developmentally vulnerable in the language and cognitive skills (schools-based) domain	IARE	2012
- Communication skills and general knowledge domain	Aboriginal children assessed as developmentally vulnerable in the communication skills and general knowledge domain	IARE	2012
<b>Aboriginal families</b>			
Single parent families	Single parent families with children aged less than 15 years	IARE	2011
Low income families	Low income families	IARE	2011
Jobless families	Jobless families with children aged less than 15 years	IARE	2011
Children aged less than 15 years in jobless families	Children aged less than 15 years in jobless families	IARE	2011

Topic/ Indicator	Indicator detail	Geography	Time period
<b>Aboriginal housing</b>			
Dwellings rented by Aboriginal households	Dwellings rented by Aboriginal households from the government housing authority	IARE	2011
Dwellings rented by Aboriginal households	Dwellings rented by Aboriginal households from a housing co-operative, community or church group	IARE	2011
<b>Internet access at dwellings with Aboriginal households</b>			
No Internet connection	Private dwellings with Aboriginal households with no Internet connection	IARE	2011
No Internet connection	Private dwellings with Aboriginal households with children and with no Internet connection	IARE	2011
Broadband Internet connection	Private dwellings with Aboriginal households with Broadband Internet connection	IARE	2011
Broadband Internet connection	Private dwellings with Aboriginal households with children and with a Broadband Internet connection	IARE	2011
<b>Aboriginal labour force</b>			
Unemployment	Unemployment	IARE	2011
Female labour force participation	Female labour force participation	IARE	2011
<b>Summary measure of Indigenous outcomes</b>	Indigenous Relative Socioeconomic Outcomes index	IARE	2011
<b>Aboriginal mothers &amp; babies</b>			
Smoking during pregnancy	Aboriginal women smoking during a pregnancy	IARE	2009–2011 (Vic, WA & Tas) 2008–2010 (NSW, QLD, SA & ACT) 2006–2008 (NT)
Low birth weight babies	Low birthweight babies	IARE	2009–2011 (Vic & WA) 2008–2010 (NSW, QLD, SA & ACT) 2006–2008 (NT)
<b>Aboriginal immunisation</b>			
Aboriginal children fully immunised at 1 year of age	Aboriginal children fully immunised at 1 year of age	IARE	2015
Aboriginal children fully immunised at 2 years of age	Aboriginal children fully immunised at 2 years of age	IARE	2015
Aboriginal children fully immunised at 5 years of age	Aboriginal children fully immunised at 5 years of age	IARE	2015

Topic/ Indicator	Indicator detail	Geography	Time period
<b>Disability</b>			
Profound or severe disability	Estimated number of Aboriginal people living in the community with a profound or severe disability	IARE	2011
Assistance to people with a disability (unpaid)	Unpaid assistance provided by Aboriginal people aged 15 yrs & over to persons with a disability	IARE	2011
<b>Aboriginal median age at death</b>			
Median age at death of males	Median age at death of Aboriginal males	IARE	2009–2012
Median age at death of females	Median age at death of Aboriginal females	IARE	2009–2012
Median age at death of persons	Median age at death of Aboriginal persons	IARE	2009–2012
<b>Aboriginal premature mortality, by sex</b>			
Deaths of Aboriginal males aged 0 to 54 yrs	Deaths of Aboriginal males aged 0 to 54 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths of Aboriginal females aged 0 to 54 yrs	Deaths of Aboriginal females aged 0 to 54 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths of Aboriginal persons aged 0 to 54 yrs	Deaths of Aboriginal persons aged 0 to 54 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths of Aboriginal males aged 0 to 64 yrs	Deaths of Aboriginal males aged 0 to 64 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths of Aboriginal females aged 0 to 64 yrs	Deaths of Aboriginal females aged 0 to 64 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths of Aboriginal people aged 0 to 64 yrs	Deaths of Aboriginal persons aged 0 to 64 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths of Aboriginal males aged 0 to 74 yrs	Deaths of Aboriginal males aged 0 to 74 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths of Aboriginal females aged 0 to 74 yrs	Deaths of Aboriginal females aged 0 to 74 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths of Aboriginal people aged 0 to 74 yrs	Deaths of Aboriginal persons aged 0 to 74 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
<b>Aboriginal premature mortality, by selected cause</b>			
Deaths from cancer, Aboriginal persons aged 0 to 54 yrs	Deaths from cancer, Aboriginal persons aged 0 to 54 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths from circulatory system diseases, Aboriginal persons aged 0 to 54 yrs	Deaths from circulatory system diseases, Aboriginal persons aged 0 to 54 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths from respiratory system diseases, Aboriginal persons aged 0 to 54 yrs	Deaths from respiratory system diseases, Aboriginal persons aged 0 to 54 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths from external causes, Aboriginal persons aged 0 to 54 yrs	Deaths from external causes, Aboriginal persons aged 0 to 54 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths from cancer, Aboriginal persons aged 0 to 64 yrs	Deaths from cancer, Aboriginal persons aged 0 to 64 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013

<b>Topic/ Indicator</b>	<b>Indicator detail</b>	<b>Geography</b>	<b>Time period</b>
Deaths from circulatory system diseases, Aboriginal persons aged 0 to 64 yrs	Deaths from circulatory system diseases, Aboriginal persons aged 0 to 64 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths from respiratory system diseases, Aboriginal persons aged 0 to 64 yrs	Deaths from respiratory system diseases, Aboriginal persons aged 0 to 64 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths from external causes, Aboriginal persons aged 0 to 64 yrs	Deaths from external causes, Aboriginal persons aged 0 to 64 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths from cancer, Aboriginal persons aged 0 to 74 yrs	Deaths from cancer, Aboriginal persons aged 0 to 74 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths from circulatory system diseases, Aboriginal persons aged 0 to 74 yrs	Deaths from circulatory system diseases, Aboriginal persons aged 0 to 74 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths from respiratory system diseases, Aboriginal persons aged 0 to 74 yrs	Deaths from respiratory system diseases, Aboriginal persons aged 0 to 74 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
Deaths from external causes, Aboriginal persons aged 0 to 74 yrs	Deaths from external causes, Aboriginal persons aged 0 to 74 yrs (NSW, Qld, SA, WA & NT)	IARE	2009–2013
<b>Aboriginal admissions by selected principal diagnosis</b>			
Total admissions, Aboriginal persons	Rate per 100,000	IARE (NT only: Indigenous Region (IREG))	2012/13
Admissions for mental health related conditions, Aboriginal persons	Rate per 100,000	IARE (NT only: IREG)	2012/13
Admissions for circulatory system diseases, Aboriginal persons	Rate per 100,000	IARE (NT only: IREG)	2012/13
Admissions for respiratory system diseases, Aboriginal persons	Rate per 100,000	IARE (NT only: IREG)	2012/13
Admissions for digestive system diseases, Aboriginal persons	Rate per 100,000	IARE (NT only: IREG)	2012/13
Admissions for injury, poisoning and other external causes, Aboriginal persons	Rate per 100,000	IARE (NT only: IREG)	2012/13
<b>Aboriginal admissions by selected principal diagnosis and age</b>			
Total admissions, Aboriginal persons aged 0 to 14 yrs	Rate per 100,000	IARE (NT only: IREG)	2012/13
Total admissions, Aboriginal persons aged 15 yrs and over	Rate per 100,000	IARE (NT only: IREG)	2012/13
Admissions for mental health related conditions, Aboriginal persons aged 15 yrs and over	Rate per 100,000	IARE (NT only: IREG)	2012/13
Admissions for circulatory system diseases, Aboriginal persons aged 15 yrs and over	Rate per 100,000	IARE (NT only: IREG)	2012/13
Admissions for respiratory system diseases, Aboriginal persons aged 0 to 14 yrs	Rate per 100,000	IARE (NT only: IREG)	2012/13
Admissions for respiratory system diseases, Aboriginal persons aged 15 yrs and over	Rate per 100,000	IARE (NT only: IREG)	2012/13

<b>Topic/ Indicator</b>	<b>Indicator detail</b>	<b>Geography</b>	<b>Time period</b>
Admissions for digestive system diseases, Aboriginal persons aged 15 yrs and over	Rate per 100,000	IARE (NT only: IREG)	2012/13
Admissions for injury, poisoning and other external causes, Aboriginal persons aged 0 to 14 yrs	Rate per 100,000	IARE (NT only: IREG)	2012/13
Admissions for injury, poisoning and other external causes, Aboriginal persons aged 15 yrs and over	Rate per 100,000	IARE (NT only: IREG)	2012/13
<b>Ambulatory-sensitive hospitalisations by age</b>			
Total ambulatory-sensitive hospitalisations, Aboriginal persons aged 0 to 14 yrs	Rate per 100,000	IARE (NT only: IREG)	2012/13
Total ambulatory-sensitive hospitalisations, Aboriginal persons aged 15 yrs and over	Rate per 100,000	IARE (NT only: IREG)	2012/13
Total ambulatory-sensitive hospitalisations, Aboriginal persons at all ages	Rate per 100,000	IARE (NT only: IREG)	2012/13
